Dublin City Council

CHALLENGES INTO OPPORTUNITIES

Many solutions. The ingredients are there, how we combine them is the challenge.

Dublin City Council

*“We need to hasten slowly, which is kind of counterintuitive because there is a sense of urgency for those interested in climate, the scale of the challenges are huge, we got to rush, we have to really panic... our response to climate, we need to be **calm** and we need to be considered and **we need to pause for a moment...**”*
- Eamon Ryan, Green Party

A FINAL THOUGHT

Comhairle Cathrach
